EU leaders agree huge rescue deal

EU leaders have struck a deal on a huge post-coronavirus recovery package following a fourth night of talks.

It involves £677billion in grants and loans to counter the impact of the pandemic in the 27-member bloc.

The talks saw a split between nations hardest hit by the virus and "frugal" members who were concerned about costs.

It is the biggest joint borrowing ever agreed by the EU.

Summit chairman Charles Michel *(above)* said it was a "pivotal moment" for Europe.

The deal centres on a £352bn programme of grants to member states hardest hit by the pandemic.

Italy and Spain are expected to be the main recipients.

A further £325bn in low-interest loans will be available to members of the bloc.

BYE JACK!

Hundreds turn out to pay respects to football giant Charlton

APPLAUSE rang out for Jack Charlton as thousands of people lined the streets of Ashington in Northumberland to pay tribute to the World Cup-winning hero.

Well-wishers threw flowers on the hearse as it passed slowly through the former mining community, where he and his younger brother Sir Bobby honed their football skills.

The procession slowed as it passed close to 114 Beatrice Street, where the Charltons played for countless hours in the back lane, and the park where Big Jack learned the dark arts of defending.

Charlton – a stalwart of Leeds United's most successful period, an England stopper who reached the pinnacle of the game and later a successful manager, most notably with the Republic of Ireland – died earlier this month aged 85.

Fans wearing Leeds shirts, Newcastle United tops, Ireland strips and replica kits from his local side Ashington mingled together to pay their final respects.

And when the cortege passed, spontaneous applause and cheers broke out in tribute to the town's famous son, who never forgot his roots.

Floral tributes in the hearse included a football and a red England shirt with "Jackie 5" on it.

A Northumberland piper led the procession for some of the way through the town.

RUSSIA REPORT SENSATION

BRITAIN IS PUTIN'S TOP TARGET

VLAD TO SEE YOU... Russian influence in the UK 'the new normal'

- Ministers 'took eye off ball' over Moscow meddling
- 'No-one knows' if they interfered in Brexit vote
- Boris slammed for delaying report

By COLIN HURST
news@sundaysport.co.uk

VLADIMIR Putin sees Britain as a "top target" and the UK Government "underestimated the threat" of Russia, a bombshell report has revealed.

The long-awaited report on Russia's activities in the UK has concluded that the Government "took its eye off the ball" and failed to respond to Moscow's threat.

The UK government "actively avoided" looking for Russian interference during the EU and Scottish independence referendums, the report concluded.

The Intelligence and Security Committee's report into Russian activity in the UK called for "immediate action" to tackle it.

But it said the Government was "playing catch-up" after failing to act sooner.

Committee members also criticised Boris Johnson for the delay in the report's publication.

Downing Street was accused of holding back the committee's report ahead of last December's UK general election – which it has denied.

Attacks

But speaking at a press conference to launch the report, one of the ISC's committee members, Kevan Jones, criticised the prime minister for not signing it off sooner, saying there was "no reason for delay".

After the report was published, Foreign Secretary Dominic Raab tweeted: "We've been clear that Russia must desist from its attacks on the UK and our allies.

"We will be resolute in defending our country, our democracy and our values from such Hostile State Activity."

The ISC inquiry covers a number of topics – including disinformation campaigns, cyber tactics and Russian expatriates in the UK – saying the UK was a "top target" for the state.

UNDER FIRE: PM has 'failed to respond to Moscow threat'

But much of the "highly sensitive" detail will not be published due to fears Russia could use the evidence to threaten the UK.

The report said Russian influence in the UK was now "the new normal" and said many governments had welcomed oligarchs from the country with "open arms".

The committee went on to say the UK was "clearly a target" for disinformation campaigns around its elections, but the issue was described as a "hot potato" – with no one organisation taking a lead to tackle it.

ISC committee member Stewart Hosie also said no-one in Government wanted to touch the issue of Russian interference with a "10-foot pole" and no-one knew if Russia had tried to interfere with the 2016 EU referendum "because they did not want to know".

He told assembled media: "There should have been an assessment of Russian interference in the EU referendum and there must now be one.

"And the public must be told the results of that assessment."

The report also said that there had been "credible open source commentary" that suggested Russia had tried to influence the Scottish independence referendum in 2014.

'Bumpy months' ahead, warns PM

THE UK faces more "bumpy months" as it copes with the impact of coronavirus on the nation's health and finances, Boris Johnson warned.

At the Cabinet's first face-to-face meeting since March, the Prime Minister stressed the need to "get our economy moving".

He said there will be "difficult months ahead for our people and our country, but no-one will be without hope".

And he insisted: "We will build back better and come through this crisis more strongly than ever before."

More booze & biscuits helps lockdown life

BRITS working from home during lockdown have turned to the comforts of coffee, tea and biscuits... and a good book.

We've splashed out an additional £24million on tea and coffee and an extra £19m on biscuits in the past three months, says market research firm Kantar.

The company also reported that grocery sales reached a record £31.6billion in the 12 weeks to July 12.

We've also been reading much more, according to publisher Bloomsbury, which has seen book sales jump.

Kantar said grocery sales during lockdown have climbed 16.9%, the fastest growth rate since its records began in 1994.

The home delivery grocers now account for 13% of the market, up from 7.4% at the start of lockdown in March.

But consumers are still uncomfortable about visiting a pub.

"As a result, take-home alcohol sales were up by 41% this month as people were unable or avoided drinking out," said Fraser McKevitt, head of retail and consumer insight at Kantar.

Big slump in house sales

SUMMER property sales in the UK were nearly a third lower than last year, despite a pick up since the housing market reopened.

A total of 68,670 residential properties were sold in June, data from HM Revenue and Customs shows.

This was down 31.5% on the same month a year ago, but up 50% on May.

Demand for property has risen and the government has raised the incentives for buyers.

Chancellor Rishi Sunak announced a temporary holiday on stamp duty on the first £500,000 of all property sales in England and Northern Ireland in his summer statement.

But that measure came into force in July – too late to be reflected in the latest sales figures.

HOT BOT: Bella's sizzling snap on luxury yacht

BELLA Thorne looked just peachy parading her pert trumper as she fannied about on a yacht.

By GRACE HOOPER
news@sundaysport.co.uk

The former child star has spent the past week on a luxury boat off the coast of Cabo San Lucas, Mexico, with her love, Benjamin Mascolo.

The 22-year-old took to social media to share a series of photos of herself sporting a tiny bikini.

Bella wowed in a designer pink Dior bikini top featuring a triangular design with the brand's logo throughout.

All eyes were on her biteable bottom, but one online fan went TOO FAR when he suggested that Bella likes to be put over her fella's knee and spanked until her pink bot-bot glows red.

Stinks

The depraved user slavered: "Her booty looks as if it's had a few smacks. Nice and peachy."

But there was worse to come…

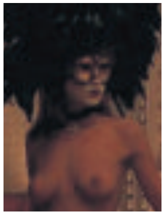
A user from Detroit, Michigan, sniped: "I bet her bikini stinks like a gorilla where it goes up her rectal area!"

Another made the upsetting comment: "I almost can guess that she will smell down town."

Yet another reader made a vulgar comment – too crude to repeat – suggesting that Bella likes to frequently drain her fella of SPUNK!

Beauty Bella and her Italian boyfriend only recently reunited after five months apart due to COVID-19 travel restrictions.

It was clearly an emotional moment and elated Bella gushed on Instagram: 'After 5 months reunited & it feels so good.'



Sex party is bang out for virus victims

ORGANISERS of an Eyes Wide Shut-style sex party are making wannabe participants take coronavirus tests.

Only those who test negative will be allowed to take part in the millionaires' orgy this Saturday at a private villa in the jet-set seaside resort of Comporta, an hour from Lisbon.

More than 40 people have already signed up for the love-in, styled on the 1999 Stanley Kubrick film *(above)* starring Tom Cruise and Nicole Kidman.

Rental of a private suite for the night is said to cost £2,700 per couple, though singles can attend without partners.

The party is being organised by private members' society Purilia, which boasts on its website of offering "luxurious" experiences for "entrepreneurs, public figures and celebrities".

A similar event held earlier in the year in Lisbon is said to have been attended by politicians, football players and TV stars.

Eat cabbage and beat the killer bug!

THE humble cabbage could save the world!

According to a new study from France, foods containing raw and fermented cabbage may be beneficial against the coronavirus by reducing the levels of a compound that helps the virus infect the body.

The study found that cabbage – whether raw, pickled in sauerkraut or mixed into coleslaw – as well as cucumbers and Kimchi, the Korean delicacy made from pickled cabbage and other vegetables, could help people build up resistance to the virus.

Abundant antioxidants in the vegetables could explain why countries where cabbage is a key part of the national diet – like Germany and South Korea – had lower fatality rates than hard-hit countries such as the US.

Naked babe faces down tear gas cops

IN the right-on Yank city of Portland, Oregon, locals have got used to seeing so-called "social justice warriors" facing down the forces of law and order.

So far, so dreary...

But this cheeky protester gave cops something to steam up their gasmasks.

Wearing only a face mask and a beanie, a woman dubbed "Naked Athena" waltzed between officers and protesters during a standoff.

Video posted on social media shows the woman pacing the pavement, before sitting down and launching into a series of yoga and ballet poses.

Photos of the full-frontal demonstration quickly went viral.

Officers shot pepper balls at the woman's feet, then another protester ran in front of her with a homemade shield – but she sidestepped him.

The officers left about 10 minutes after the nude woman showed up.

"She was incredibly vulnerable," one witness said. "It would have been immensely painful to be shot in the twat with a rubber bullet."

DINER BOSS TORCHES NONCE TABLE

Epstein and Weinstein were regulars at posh eatery

BURNT OFFERING: Erdem's 'cursed' table is no more

RAPIST: Weinstein

PREDATOR: Epstein

A POSH restaurant boss publicly TORCHED his best table – becauser it was the one billionaire meganonce Jeffrey Epstein and film mogul rapist Harvey Weinstein used to sit at.

Zach Erdem owns trendy 75 Main in Southampton, on Long Island, New York, and he couldn't bear to look at the table favoured by the pervs.

Setting fire to Table 1 at the back of his diner, Erdem said: "I need to burn this f**king table.

"I'm sick of the bad energy of this table," he said of Epstein's aura. "Every time I see it, I think of that sicko."

The bustling brunch crowd left their tables to gawk at the bonfire in progress, whooping and chanting, "Burn, Epstein, burn!" as Erdem hacked at the cursed table and burned it into oblivion.

By COLIN HURST
news@sundaysport.co.uk

Paedophile predator Epstein, who 'killed himself' last August shortly after being arrested on charges of sex trafficking, was a fixture for three years at the Hamptons hotspot.

"Every single time, every week or two, he came with three or four girls," Erdem recalled.

"They were the sexiest girls in the house. They had nice shoes, were in good shape, but they looked really young. I knew something wasn't right."

Manager Ioana Rosu was once imperiously instructed by Epstein to bring champagne to the young girls.

"I asked for IDs for them and told him they have to be 21," she said, adding that Epstein would "give me hands full of money" to take care of his table. "He insisted, but I said I can't break the law."

Erdem recalled one incident when Epstein was dressed down.

"What are you doing with underage girls, you idiot? They're too young," an outraged older female patron lectured.

"They're all over 18," Epstein shot back, and had the girls show their IDs.

"It was the same table Harvey Weinstein liked," said Erdem of the convicted rapist.

He recalled how the portly Hollywood producer would serially hit on women – who mostly knocked him back.

New Friends on hold over COVID fears

THE eagerly awaited *Friends* reunion special could begin filming as soon as next month, star David Schwimmer has revealed.

The actor (*above*), who played Ross Geller on the US comedy, said he and his co-stars could shoot the one-off episode in mid-August, if it's deemed safe amid the coronavirus pandemic.

The special is due to be filmed at the Warner Bros Studios in Burbank, California, but the US state is struggling to get a grip on COVID-19.

Appearing on *The Tonight Show Starring Jimmy Fallon*, David promised the special would feature "surprise bits" and added: "It's supposed to happen in the middle of August, but honestly we're going to wait and see another week or two if we all determine it's really safe enough.

"And if not, we'll wait until it's safe."

The special will bring together Schwimmer, 53, and co-stars Jennifer Aniston, Courteney Cox, Lisa Kudrow, Matt LeBlanc and Matthew Perry.

COURT TOLD OF DRUG-FUELLED RAMPAGE

DEPP 'TRASHED CARAVAN OVER AMBER'S LESBIAN FLIRTING'

ARRIVING AT COURT: Depp (*top left*) and ex-wife Amber

ACTOR Johnny Depp trashed a caravan, threw glasses at Amber Heard and ripped open her dress searching for drugs after threatening to break her friend's wrist for touching her on a cocaine-fuelled bender, his ex-wife claims.

By JACKSON JONES
news@sundaysport.co.uk

The couple stayed at a trailer park in Hicksville, New York, in June 2013, when Ms Heard claims her megastar ex exploded around the campfire when he believed another woman 'flirted' with her – calling Amber a "lesbian camp counsellor".

In an explosive witness statement, published as she started her second day of evidence at the High Court in London, Ms Heard said: "He grabbed her by the wrist and threatened her by talking about the pressure that would be needed to break it if she didn't admit that she was trying to flirt with me.

"Johnny and I went back to our trailer cabin where he continued to fight about it. By that point, the amount of cocaine he had taken affected his ability to make rational sense… he went into a manic state."

Ms Heard said the row then spilled into their trailer, which he allegedly "trashed in a rage".

She said: "He broke light fixtures and he broke the frosted glass front of a cabinet, and I think he threw glasses at me. He accused me of being 'the moral police' and 'lesbian camp counsellor' and of hiding his drugs.

"I had a pretty dress on that I'd dyed pink – he ripped one of the straps and then ripped it off me at the front, claiming to be searching for the drugs."

The trial also heard that actor James Franco paid a late-night visit to Amber Heard's California apartment hours after she claims Johnny Depp hurled a phone in her face after winding up his arm "like a baseball pitcher" over his claims that she fouled their bed as a dirty prank, it was revealed.

The megastar is accused of hurling the mobile into Amber's face "as hard as he could" after a row in their Los Angeles penthouse as their marriage imploded in May 2016. The High Court was shown new pictures of her apparent injuries and CCTV of Mr Franco in a lift with Amber 24 hours later.

Ms Heard described the alleged attack as her ex-husband's "final act of violence", which she claimed happened after descending into a drug-fuelled rage.

But she has been has been accused of "faking" her injuries with help from her friends Rocky Pennington and Joshua Drew. Depp's friends claim this was part of a plan to "extort" and "blackmail" the star as they divorced.

Depp is suing News Group Newspapers for an article in the *Sun* which labelled him a 'wife-beater'.

The case continues.

MP breaks down as he denies groping aide

HANGING BY A THREAD: Charlie Elphicke and his wife Natalie

A MARRIED former Tory MP accused of groping a woman in Westminster told a court he was "besotted" with her and wanted to start an affair, but denies he sexually assaulted her.

Charlie Elphicke, who was MP for Dover from 2010 to 2019, said he wanted to "have a sexual relationship – an affair" with the woman, who worked in Parliament and was more than 20 years younger than him.

The 49-year-old said he invited the woman for a drink and told her he liked her, thinking their feelings were "a two-way street".

Elphicke denies three counts of sexual assault, one involving a woman in her 30s at his London home in 2007, and two involving the parliamentary worker in her early 20s on two occasions in 2016.

Giving evidence to Southwark Crown Court he said he invited the parliamentary worker for a drink in Westminster in April 2016 and ended up staying for two hours.

Defending, Ian Winter QC, asked: "How did you feel about her?"

Elphicke said: "Besotted. I thought she was amazing.

"I hadn't felt like this in years. I thought it was a two-way street and she felt the same about me as I did about her."

Elphicke denied sexually assaulting her, and said he would have only touched her in the "normal social form of touching".

Asked if there was any truth in the allegation that he tried to kiss the woman and grope her breast, Elphicke replied: "No."

In March his wife Natalie Elphicke, a solicitor, was poring over the case files when she saw texts to the parliamentary worker, whom Elphicke admitted having propositioned.

Elphicke broke down in court as he described the status of his marriage, telling jurors: "It hangs by a thread. I've got a lot of work to do… she's most upset. I've made a complete mess of everything."

The case continues.

Football's influencE on Lifelong health and Dementia risk (Field) study found that they were about half as likely to be admitted for anxiety and stress-related disorders, depressive disorder, alcohol use, drug use and bipolar disorders, and were at no greater risk of suicide.

THE MONKEYS HAVE KILLED THEM ALL!

VIOLENT: Apes (*above*) pulled down wall on top of victims in Uttar Pradesh (*below*)

By COLIN HURST news@sundaysport.co.uk

A MUM and four of her kids were crushed to death after a wall was brought down by a troop of marauding MONKEYS.

They were killed by falling masonry after the wall was "violently shaken" by the apes while the family slept in the courtyard of their home.

The family were sleeping outside because their indoor ceiling fan wasn't working during scorching hot weather in Shahjahanpur in Uttar Pradesh, India.

After discovering the bloodbath, a neighbour ran into the street yelling: "The monkeys have killed them all!"

District magistrate Vikram Singh met the survivors and said they were getting the "best possible treatment".

He said: "It was a tragic incident and five members of the family died immediately after the wall collapsed on them."

The incident was the latest in a long line of monkey-related tragedies in India, which is thought to be home to around 50million of the primates.

Last August, a 50-year-old man died in Sambhal after falling from a terrace at his home when he was attacked by a troop of monkeys.

Reports at the time said it was the sixth monkey-related death in the area in 2019 alone.

In June last year, a baby was killed by a monkey which jumped into her cot to steal a milk bottle.

Red-faced rhesus macaques have also been known to spread havoc in Delhi, snatching food and phones and even breaking into homes.

Coronavirus

More recently, police said a troop of monkeys had attacked a medical official and snatched blood samples of coronavirus patients in Meerut.

People living near the medical college feared a further spread of the virus if the monkeys carried the samples into residential areas – although there is no evidence apes can be infected with the virus.

The destruction of many monkeys' natural habitats is the main reason the animals move into urban areas in search of food, environmentalists say.

Staycations are turning rubbish!

AN unprecedented rise in fly-camping and campervan staycations has led to an increase in discarded equipment and rubbish, according to the National Trust.

It has also led to vital resources being diverted away from conservation work to cleaning up the mess left behind, the charity added.

The NT is now urging people not to fly-camp on its land to help protect nature and wildlife.

Since the easing of lockdown restrictions in England, various tourist hot spots – including the Peak District, Lake District and the West Country – have seen significant increases in the numbers of people camping and a spike in the number of campervans parking at beauty spots overnight, without permission.

BLM protest gun toters to face charges

THE couple who shot to viral infamy when they pulled guns on Black Lives Matter protesters outside their mansion have been hit with criminal charges over the incident.

Personal injury lawyers Mark, 63, and Patricia McCloskey, 61, of St. Louis, Missouri, face charges of felony unlawful use of a weapon and fourth-degree assault.

Prosecutor Kim Gardner said: "It is illegal to wave weapons in a threatening manner – that is unlawful in the city of St. Louis."

The couple *(above)* were filmed on June 28 barefoot on the porch of their home in the swanky Central West End neighbourhood, each toting a firearm as protesters marched down their private street toward the home of Mayor Lyda Krewson.

JULIA'S GONNA BE HUGH HEFNER

STREAKER BABE PLANS TO REPLACE PLAYBOY

By JAYNE FERGUSON
news@sundaysport.co.uk

INSTAGRAM model Julia Rose stunned America when she stripped off during a baseball game – and now she wants to take Playboy's nudie crown.

Last October, during Game 5 of baseball's World Series, Astros star pitcher Gerrit Cole was on the baseball mound.

But it was Julia who threw a curveball when she and pal Lauren Summer flashed their bare boobs at the pitcher – and a national TV audience.

The stunt – designed to promote Julia's boobs-centric online magazine, ShagMag – got them kicked out of the game and banned from Major League Baseball stadiums.

Stunt

But the 26-year-old Los Angeles resident, who calls herself a big sports fan, has no regrets.

"It was one of the top moments of my life," she said.

"I'm still banned from any baseball games, but it's worth it. I've always chased adrenaline."

The move also launched Rose into another stratosphere – as she now has a massive 4.8million followers on Instagram.

Now she is putting the spotlight on her next stunt – gunning for Playboy's crown.

Julia is the co-founder, chief executive and face of ShagMag, which features topless photo shoots as well as sports stories and dating advice.

In a nod to *Penthouse* magazine, which once ran an ad saying "We're going rabbit hunting", ShagMag's new ad features a target on Playboy's bow-tied bunny logo.

The campaign rolls out this month on Instagram.

"We are here to replace the bunny," said Rose, who wants ShagMag to be the powerhouse *Playboy* was in its heyday – and make stars of its models, like Hugh Hefner did with Anna Nicole Smith, Carmen Electra and Pamela Anderson.

She's even casting ShagMag girls to live with her in a Beverly Hills home, which sounds a lot like the Playboy Mansion.

She added: "I am 100 per cent walking around the house nude. I live it, thrive in my birthday suit."

BUST SHOCKING: Actress was “terrified”

FAMOUS fanny flasher Sharon Stone has revealed that an actor screamed he couldn’t “see her fking tits” as she filmed her first nude scene.**

The actress, 62, said the incident – on the set of 1984 comedy-drama film *Irreconcilable Differences* – left her “terrified”.

In conversation with “Hollywood” star Jake Picking in *Attitude* magazine’s August issue, Stone was shocked to learn that he had access to an “intimacy co-ordinator” while filming gay sex scenes with his co-star Jeremy Pope on the Netflix series.

“They didn’t have that in my day,” Stone said.

“When I did my first movie, *Irreconcilable Differences*, I had a topless scene.

“And they didn’t even clear the set.

“Everybody’s on set, like a million people on the set.

“And I take off my top and this actor screams ‘Would you get out of the f**king way? I can’t even see her tits’.”

Stone, who was honoured with an Attitude Award in 2014 for her decades of Aids activism, continued: “And I’m so terrified.

“You know when you can hear your heartbeat in your ears? That’s all I could hear.

“And I hear him scream ‘Get out of the way, I can’t see her f**king tits’.

“I’m just like, talk about no intimacy coordinator.”

She added: “Oh my God. It was such a nightmare. I mean, when they asked me if I had any #MeToo [experiences]...”

Stone famously flashed her naked blonde mimsy in the 1992 flick *Basic Instinct*.

She also appeared fully nude with an equally naked Sylvester Stallone for a steamy shower sex scene in 1994’s *The Specialist*.

Whaley Bridge dam good again

THE damaged dam in Whaley Bridge is now “totally secure against any extreme weather event” after restoration work, the Canal and River Trust has said.

Around 1,500 people were evacuated from the Derbyshire town in August last year due to fears the dam wall at Toddbrook Reservoir would collapse after heavy rain.

Although temporary restoration work is close to completion, the permanent reconstruction project will take three years and cost more than £10million, the trust said.

Footpaths around the reservoir will be reopened next month until spring 2021, when permanent repairs will start.

A government report on Toddbrook concluded the dam partially collapsed due to “poor design and intermittent maintenance”.

CURVY Cara Brett has a kinky PUBLIC SEX confession…

The blonde beauty – who boasts 32DD curves – revealed she once BONKED a lucky bloke in a shop changing room!

Cara, 26, from Hampstead, north London, said: "I was trying on some clothes in a store and my boyfriend was waiting outside.

"All of a sudden, he jumped in with me and we had a quickie!

"It was so horny!

"Since that day, I'm definitely up for having sex in risky places – where there's always a chance of getting caught in the act.

"The sex is always fast, sweaty and very exciting!"

But she added, sorrowfully: "I think it will be a long time before any changing rooms are open for bonking in.

"Bah to social distancing!"

YOU FLOP QUITE A LOT, DON'T YOU, EAMONN?

RUFFLED: Holmes was butt of on air quip from his missus

Ruth makes hubby blush live on This Morning

By GRACE HOOPER

news@sundaysport.co.uk

IS *This Morning* host Eamonn Holmes a FLOP in bed?

That was the question raised live on the ITV show on Tuesday morning by Eamonn's co-presenter and real-life missus Ruth Langsford.

The couple were doing a segment on rag doll cats – felines renowned for lolling around so much their owners think they might even be dead.

Funny

It's a condition common in older cats, as many suffer from narcolepsy – a sleeping sickness.

Ruth, 60, giggled as she confided to viewers that her fellow *Loose Women* star Brenda Edwards owned rag doll cats and explained: "That's where the saying comes from – floppy as a rag doll, because rag doll cats do that."

As she laughed, Eamonn, also 60, said: "How come you find that funny and yet when I flop into a rag doll you don't find it funny?"

His wife replied: "Because you flop quite a lot though, don't you?"

Laughing even more, she added: "Quite often?"

Slightly ruffled Eamonn then fixed his eyes on the studio camera as he retorted: "Right, okay then…."

Eamonn and Ruth began dating in 1997. In 2002, Langsford gave birth to their son, Jack Alexander.

The pair did not get married until June 2010.

'No mask' woman peed on shop floor

A SHOP'S mask-wearing rule annoyed a customer so much she PISSED on the floor.

The outraged Californian chose to wee on the floor of a Verizon electronic outlet after refusing to leave for not wearing a face mask.

Cops were called when store workers said three shoppers were refusing to leave.

They said the unidentified woman, who was not wearing a face mask, refused to leave several times before pulling down her pants and urinating.

California is among a number of states that have implemented face mask mandates as cases surge in COVID-19 hot spots across the US.

PERV PAID TO SEE CHILD-PARENT SEX

A GOVERNMENT contractor paid a parent and their grown-up child to have sex with one another so he could watch.

Grady Gaston III, 59, was arrested after he was said to have 'deceived and coerced' the family members into sex in Athens, Alabama, while working for the US Department of Defence..

Limestone County Sheriff's spokesman Steven Young said Gaston *(below)* paid a person who was over the age of consent to have sex with their parent.

He did not share the child's age, or the gender of the family members who had sex, or whether those relations will be charged.

He said: "Even though Gaston didn't have sex with a relative, he subjected two immediate family members to have sexual relations with each other and engaged with them… with somebody facilitating two direct family members, that are of age, but you're still facilitating direct incest, so that's an incest charge."

AS CHLOE FERRY SAYS SHE'S GOING TO ROMANCE MEN *AND* WOMEN ON DATING SHOW, WE LOOK AT...

BOTH WAY BABES!

5 PAGE SPECIAL

OPEN TO NEW ADVENTURES: Chloe and (*right*) with her ex Sam

CURVY Chloe Ferry has revealed she will be romancing both men AND women on the new series of E4's *Celebs Go Dating*.

The *Geordie Shore* star, 24, said she's "ready for a relationship" – five months after she cut ties with *Love Island*'s Sam Gowland, 24, following their three-year romance.

By SUZIE SHELDON
news@sundaysport.co.uk

Now Chloe – who admits she's "started looking at girls differently", has confirmed she's "open to trying new things" on the E4 dating show.

Chloe said: "I am open to trying new things.

"I've got to fancy them, and they've got to have ambition, be driven, a big lover of life and know what they want."

The Geordie lass, who's starred on the hit MTV reality series since she was 19, said she'd be willing to quit TV if she found the right person.

She said: "I appreciate everything *Geordie Shore* has done for me but if the right person comes along that wasn't happy with me doing the show, then I would definitely put them first."

Chloe recently told a fan on Instagram, who asked if she was bisexual: "I think so. I started looking at girls a bit differently… maybe I'm a bit of a lesbian."

Here are some other celebs who like cock AND clit…

JENNY LAIRD

JUICY Jenny, 19, from Tamworth, Staffs, said: "I was seeing this guy for 12 months and the sex was getting boring so I suggested we ask my bisexual mate, Melissa, if she fancied joining us."

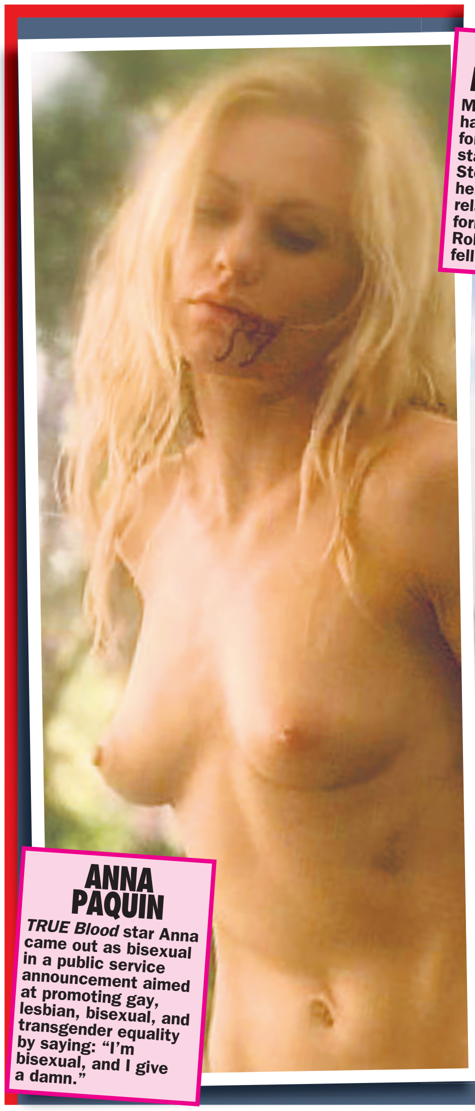
The 32DD babe added: "She knew exactly where to lick me."

LADY GAGA

ODDBALL singer Gaga came out as bisexual in 2010, saying she'd had flings with both men and women, and explained her song *Poker Face* is based on her fantasising about women while with her boyfriend.

MEGAN BARTON HANSON

***LOVE Island* scorcher Meg, 26, said: "I first fell in love with a girl when I was 16, but it wasn't even in a sexual way – I never saw her just in that way, but we'd hang out, and one thing led to another…"**



ANNA PAQUIN

TRUE Blood star Anna came out as bisexual in a public service announcement aimed at promoting gay, lesbian, bisexual, and transgender equality by saying: “I’m bisexual, and I give a damn.”

STELLA MAXWELL

MODEL Stella has been with former *Twilight* star Kristen Stewart since her long-running relationship with former co-star Robert Pattison fell apart.

I LOVE getting it on with other women. Don’t get me wrong, I could never leave the cock behind permanently – I still love the feel of a man being inside me.

“But women are really good at making me orgasm. They know exactly what a girl wants when it comes to sex, and I love touching and kissing boobs – they’re so soft.

“The main thing for me is when a girl goes down on me. Their kisses, licks and caresses are exactly what I need sometimes.

“But having a threesome is the best – I can have a huge cock inside me while getting licked out by a babe!”

ALTHOUGH now pretty firmly attached to the quim, Brit supermodel Cara, 27, said: "A lot of the friends I have who are straight have such an old way of thinking. 'So, you're just gay, right?' They don't understand it. If I'm like, 'Oh, I really like this guy', they're like, 'But you're gay'. I'm like, 'No, you're so annoying'."

In July 2007, the bullet-riddled body of 20-year-old Stephanie was found dumped at the side of an isolated road. Cops at first to find a motive – until realising Lisa Graham had hired a hitman to assassinate her own daughter...

WANTED: HITMAN TO KILL MY DAUGHTER

HELP ME GET RID OF HER: Graham offered one neighbour $5,000 to kill her daughter

By KOURTNEY KENNEDY
news@sundaysport.co.uk

TO Lisa Graham, daughter Stephanie was little more than a 'nuisance'.

The 20-year-old had got herself mixed up with drugs, was in trouble with the law and had driven a wedge between Graham and husband Kevin.

Graham told anyone who'd listen that she would love nothing more than for Stephanie to either die or disappear.

She even talked about having someone murder her own daughter. She'd never actually go through with such a wicked plan, friends said. She was just running her mouth off.

But those friends were wrong.

Because Graham was deadly serious about seeing Stephanie six feet under.

And, on July 5, 2007, family friend Kenneth Walton did exactly what she wanted, dispatching Stephanie in grisly fashion on her orders.

Stephanie was shot twice in the head and four times in the torso at the side of a rural road in Russell County, Alabama.

It didn't take long for cops to finger Walton for the crime.

And, in return for dodging the death penalty, he testified against Graham – landing her on Death Row instead.

As Russell County district attorney Ken Davis pointed out: "This is a case in which the death penalty was very much called for.

"This was a woman who encouraged, cajoled and threatened another individual for months to murder her biological child, to take her down into the darkness of Russell County, Alabama, on a dirt road and shoot her dead."

BROUGHT TO JUSTICE: Graham is hauled in by cops in 2007

Dirty

Lisa Graham's relationship with her daughter was fraught and complex.

Stephanie, who went by the name Shea, was taken into foster care at the age of 12 before being returned to her family.

Pal Stephanie Vasquez said: "Lisa was always very negative towards Shea. She could never do anything right.

"Shea was always fat, Shea was always dirty, her room was never clean. Lisa never said anything positive about Shea."

Kevin Graham told how his wife would regularly point a gun at her daughter.

Growing up in the midst of a poor upbringing, Stephanie became dependent on alcohol and drugs.

She earned money taking her clothes off in strip clubs.

But things took a dark turn when she found herself caught up in a drive-by shooting.

While Stephanie wasn't responsible, she was at the scene at the time and found herself bailed on a $100,000 bond put up by Graham and the family.

Graham then learned her daughter was planning to skip town – meaning she'd be faced with losing a hefty amount of money.

And so Graham and Walton hatched a plan to commit murder.

Court records reveal: "Walton expected some type of benefit from Graham for killing Stephanie.

"Graham believed getting rid of her daughter would keep her from forfeiting the $100,000 cash bond she had posted for her.

"There was sufficient evidence for the jury to conclude, beyond a reasonable doubt, that

MONSTERS OF DEATH ROW

Graham struggled

'NUISANCE': Stephanie stripped to earn money for drugs and booze

SHOOTER: Walton blew away Stephanie as a 'favour' to Graham

Graham had hired Walton to kill Stephanie and that he expected some remuneration in return."

The first the police knew about it was when Stephanie's body turned up on the side of the road.

The legal files reveal: "On July 5, 2007, Earlic Dinkins was driving on Highway 165 when he discovered the partially nude body of Stephanie Graham on the side of the road.

Wounds

"Dinkins called 911 and, shortly thereafter, Russell County sheriff's deputies arrived on the scene."

Dr Steven Boudreau, a pathologist with the Alabama Department of Forensic Sciences, revealed graphic details of the wounds Stephanie suffered.

He said: "There was a close-range gunshot wound which entered the right eye, obliterating it.

"The bullet exited through the back of the head.

"There was another gunshot wound to the head on the back right side which exited on the left side of the head.

"In addition, there was a gunshot wound to the chest which exited the back. It perforated the lung and the top part of the liver on its way through.

"There were two gunshot wounds in the abdomen, one in the upper right abdomen which lacerated the liver again and then exited the back.

"The second gunshot wound to the abdomen just went through the skin on the right-hand side."

When Kevin Graham learned of Stephanie's horrific death, he instantly smelled a rat.

He even hinted to cops that he believed his wife was probably responsible.

Hitman Walton eventually testified how their dastardly plot had been hatched at the local library.

He revealed: "On that particular day I talked to her, she asked if I was ready. I said I was.

"She said, 'Well then, here's my keys'.

"She gave me the keys to her truck. I took them, went to the truck and unlocked the passenger door.

"I opened the console and retrieved a 9mm handgun, grey and silver.

"I took the gun and put it in my truck."

Walton later told Stephanie he was going to give her a lift out of town. He was taking her on a journey to what she hoped would be the start of a new life.

Instead, he gunned her down in the dirt.

Shot

Court documents explain: "Stephanie got into Walton's truck and they drove toward Eufaula, Alabama.

"They stopped at the end of Highway 165, near Bowden Road, so Stephanie could go relieve herself at the side of the road.

"As she did so, Walton retrieved the gun and shot her in the head and chest. As he was driving away, he ran over her right arm.'

Walton testified that he'd killed Stephanie simply as a 'favour' to Graham.

He said: "She never told me what she was going to give me, but she said if I needed anything just to call her.'

Other neighbours also came forward to reveal how they had overheard Graham talking candidly about how she wanted her own daughter dead.

Stephen Hemilburger, who lived acoss the street from the Grahams at the time of the murder, said: "Lisa told me she was sick of her and she would pay me $5,000 if I'd kill her.

"I told her she was nuts.

"I thought she was kidding until she reiterated that she wanted her dead and she was tired of spending money on attorney's fees for her."

After a lengthy trial – which was interrupted by the death of the original judge – Lisa Graham was eventually handed a death sentence in November 2015.

Defence lawyers argued that she possessed a low IQ and struggled to understand the consequences of her own actions.

It made no difference. Graham was still condemned to die.

Her own mother, Cherie Crabb, lashed out at reporters after the verdict, raging: "The news did this.

Tears

"I hope y'all got children because karma is gonna come back to you and your grandchildren. What goes around comes around."

The final word went to Graham's son, Kevin, who pleaded with the judge not to kill his mother, having already lost his sister.

In floods of tears, he groaned: "It won't be long until she's gone. Then I'll have nobody."

NAKED MAN PLAYED VID GAMES WITH JESUS

Nut claimed he and the Son of God took magic mushrooms

A BURGLAR who was caught red-handed in the middle of a raid was stark naked and high on magic mushrooms.

And he claimed JESUS was to blame.

Cops responded to a report of a nude man running down a main road and hitting passing vehicles.

While officers were on their way to the scene, dispatch also advised them of a burglary in progress at a home in Owensboro, Kentucky.

By GRACE HOOPER
news@sundaysport.co.uk

When they arrived at the property, they found the bloke inside the home naked with blood and mud on his body.

Punched

He started walking towards them, ignoring their commands to get to the ground.

Then he started running at the officers while shouting – and was tasered.

John Stefanopoulos, 41, kept repeating that he used "mushrooms with Jesus and they were playing a virtual reality video game together", cops said.

The front door of the burgled home had been forced open, holes punched in the wall and blood smeared on walls and windows.

Pieces of broken glass lay on the floor.

Stefanopoulos *(above)* faces charges of burglary, public intoxication, indecent exposure, criminal mischief, resisting arrest and menacing.

A police source jibed: "Maybe he thought a magic mushroom would turn him into a funghi!"

Woman charged over McDonald's body find

COPS have arrested an 18-year-old woman over the killing of man whose bloodied torso was found wrapped in a plastic bag on the roof of a McDonald's.

Ayame Stamoulis, of Brooklyn, New York, has been charged with murder after the victim was found on top of the fast food restaurant in the Bronx.

A 911 caller had told police that only "half a body" was on the roof.

TAY

SAUCY Adele Taylor loves nothing more than BAKING SCONES!

Despite being one of the world's sexiest women – with a cracking pair of 32D busters that anyone would kill to have a squeeze of – the beauty still thinks her biggest asset is her natural ability to make exceptional cakes.

And she's got even BETTER at it during lockdown.

The 28-year-old Wembley babe explained: "Everyone always goes on about how good my boobs are, and how much they love my bum.

"But I think my most attractive qualities are less physical.

"I'm very loving and caring and a pretty mean baker, too.

"I tell you, my scones would give Paul Hollywood a boner!

"Maybe I'll apply to go on the next *Great British Bake Off*!"

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

THIS PIZZA WILL TASTE SO GOOD!

IF you like a bloody good pizza and you're not in lockdown, can I suggest checking out Twentymans?

It's a very reasonable restaurant and takeaway in Leigh, Greater Manchester, where tasty handcrafted pizzas start at just a tenner.

Why the recommendation? Because I want to help right a terrible wrong that has been visited on owner Andrew Twentyman.

Last month he had the temerity to tell The Guardian newspaper that he didn't vote for Labour at the general election in December.

It was the first time he'd swapped his vote from Labour and, six months on and in the middle of the coronavirus crisis, told the dreary rag: "Can you imagine what state we'd be in if Jeremy Corbyn had been in charge of all this?"

Snarling

Once upon a time, the paper's readers – a dwindling number of lecturers and their spotty graduates who now infest the corridors of the BBC and Channel 4 News – would presume the Lancashire businessman had suffered a funny turn.

After all, how *dare* a northerner turn his back on Labour, party of the working class?

But Guardian readers, supposedly "liberal" and as dangerous as butterfly collectors, *completely* lost their shit.

Blistering in high dudgeon, they swapped their sandals for hobnailed boots and reached for their virtual pitchforks.

Then they pointed their vengeful keyboards in the direction of Twentymans' Facebook page and battle commenced.

One snarling "liberal" leftie posted: "The pizza was cold but not nearly as cold as the Tories."

They said the meat on the pizza was "as chewy as the flesh" of people who had "needlessly passed away from Covid-19 under Mr Twentyman's hero – Boris".

Another one-star review said the pizza "had a stale whiff of whataboutery and middle-class arrogance".

All this, just because Mr Twentyman had admitted doing what most of the rest of the country had done – including millions of Labour voters – and NOT voted Labour.

Not for him the slavish devotion to St Jeremy of Lost Elections.

As an employer, and as a floating voter committed to neither the left or right, he had merely taken the pragmatic approach, looked at the arguments and said "no thanks" to Corbyn's weird offering from his weird version of the Labour party.

Bellyful

And because of one man's candid admission, the online hordes of weeping Corbynistas organised a virtual pile-on against a pizza parlour.

Cretinous, or what?

So if you're anywhere near Leigh – it sits between Wigan and Manchester – get yourself down to Twentymans and order yourself a pizza.

Not only will you leave with a full belly, it'll give a bellyful to the lunatics who *still* can't understand why the country keeps saying "no" to them.

SO now we know…

The Russians might have tried to interfere in our elections, but they say they didn't.

We've already been told that Russian spooks were responsible for the Salisbury poisonings – although, of course, Russia says they were not.

I don't understand the point of all these inquiries into Russia – it's like asking Bond nemesis Ernst Blofeld if he's been a good boy.

Besides, they are always found guilty, we always do bugger all about it, and the lawyers on both sides always get richer.

Extortion case cop dies in 9th floor plunge

A PRETTY policewoman who was the star witness against a bent boss died after she "fell" from a window.

Ekaterina Mishkina's lifeless body was found by a nine-storey block of flats in Khabarovsk, Russia.

Indoor CCTV caught the 37-year-old (*above*) in her civilian clothes walking to the ninth floor and trying to get to the rooftop of the building.

A local resident said: "There is a bar on the ninth floor, so she started to walk downstairs. The staircase windows in our block are quite high and relatively small."

Fingerprints were taken from a window frame between the fifth and the sixth floors of the building.

Ekaterina, who died instantly, was a witness in a criminal extortion case against her old boss.

She was giving evidence against the officer who was suspected of bribing his subordinates.

Throwing people out of windows is a favoured style of execution for the savage Russians.

Hikers stumble on train track drone 'porno'

TWO hikers were left shocked after they caught a naked woman being filmed by a man with a drone while she fingered herself on a popular walking trail.

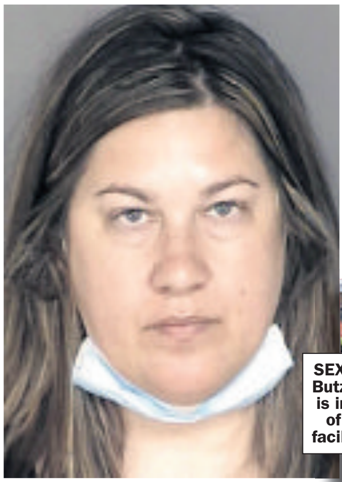
The two women in their 50s found a man using a drone to film the nude female on Sunday at 10am on the Munda Biddi trail, 100km south of Perth, Western Australia.

One of the hikers said: "As we got closer we realised the man standing on the railway line was actually filming a naked lady lying on the track, entertaining herself.

"He was filming her with a drone which was hovering around her nether regions."

One of the hikers said the man had a grin on his face when he noticed the two women but carried on filming anyway.

PRISON GIRL TOSSED OFF TEEN TEARAWAY



SEX CRIME: Butz-Tavares is in charge of lockup facility *(right)*

By GRACE HOOPER

news@sundaysport.co.uk

A PRISON boss in charge of young offenders wanked off a teen tearaway after he'd been freed from jail.

Authorities raided the home and workplace of Jennifer Butz-Tavares after underage sex allegations were made against her.

Butz-Tavares is director of the Monterey County Youth Centre, which houses post-incarcerated minors in Monterey, California.

The victim, who has not been identified, was being held at the lockup when he met Butz-Tavares, cops say.

He was released after his sentence but was rearrested after turning 18 and housed at the county jail.

Prison spokesman Todd Keating said staff reported alleged "inappropriate communications" between Butz-Tavares and the teen.

It appeared there may have been a policy violation involving contacting former inmates at the youth centre, Keating said.

Molesting

"The first accusations were simple policy violations. It could have been extremely explainable and it could have been an attempt to rehabilitate (the youth)," Keating said.

Keating asked Sheriff Steve Bernal to instruct officers to conduct an internal investigation into the contact between the pair.

That led to allegations of "masturbation to completion".

Deputies now claim that Butz-Tavares had "inappropriate sexual contact" with the victim while he was a minor.

The relationship continued after the victim was released from custody and after he became an adult.

Butz-Tavares was arrested and faces charges of annoying or molesting a child, sexual battery, assault under the colour of authority, dissuading a victim from reporting a crime and communicating with a minor for sexual purposes.

Keating immediately placed Butz-Tavares on paid administrative leave.

He added: "We take our role to keep our kids safe and sound serious.

"If true, it's a big blow to the department and the community."

WHAT A LOVELY LAWN, LIZ

LIZ Hurley's at it again…

The actress wowed fans in a sizzling snap lying on her healthy-looking lawn which she uploaded to Instagram.

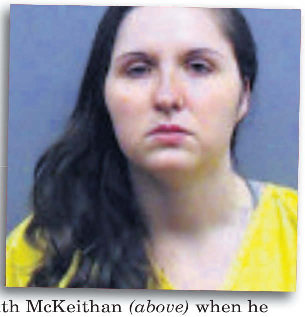
The *Austin Powers* beauty, 55, left very little to the imagination as she went topless – with only an un-tied white linen shirt protecting her modesty.

She finished the look with a pair of black and white striped bikini briefs which boasted gold chain detailing.

The star uploaded the sultry snap alongside the caption: "Home, sweet home," with a red heart emoji and #countrylife.

One fan said: "That is one of the healthiest lawns I've seen for a long time."

SOCIAL WORKER'S SEX WITH RUNAWAY



A SOCIAL worker went above and beyond the call of duty by putting up two underage runaways in a hotel – then shagged the living daylights out of one of them!

Denise Sheela McKeithan, 26, who worked for the Youth and Family Enrichment Centre in Tyler, Texas, is charged with three counts of sexual assault of a child.

She is being held in custody.

According to an arrest affidavit, the investigation began in March after two teenagers were found at a hotel in Tyler.

Both were reported as runaways from the centre.

According to the affidavit, one of the boys said he had sex with McKeithan, who worked at the centre. He also claimed he had sex with McKeithan *(above)* when he lived at the centre.

When the two boys ran away, they went to McKeithan's home and she then arranged their stay at a hotel.

According to the affidavit, McKeithan admitted to having sex with the boy.

A source said: "We expect our social workers to think on their feet and be resourceful, but we do not encourage them to have sex with young boys, no sir."

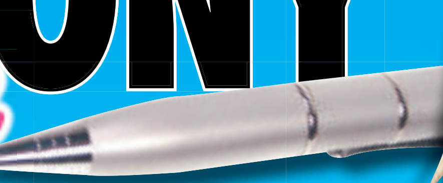
THE WORLD FAMOUS AGONY Page



Dear Sam,

I'VE been with my girl for six months and we enjoy great sex. We are into bondage and enjoy dressing up together.

A couple of months ago she suggested filming our kinky romps. I was totally turned on by the idea and we agreed to play our favourite sex game.

We set up a camera and she put on her sexiest leather outfit. She slowly stripped me off, tied me to the bed and pleasured me with her hands and tongue.

She straddled my face and lowered her sopping wet fanny on to my lips and eager tongue.

She orgasmed three or four times, then plunged down hard on my eight-incher and rode me till I came.

But I've since found out that my girl has been showing the sex tape to her mates and I feel betrayed.

Should I dump her?

CT, north Yorkshire

Sam says…

STOP moaning and enjoy yourself!

Dear Sam,

I AM a 50-year-old woman. I am fairly attractive with big boobs, I have always managed to keep my body in tip-top condition and I still enjoy having sex with my husband.

In fact, we have a really active sex life. He's good in bed and bonks me at least three times a week, but he is the only man I have ever had sex with.

We have been together since we were 18, so I've only ever kissed other guys before I met him and I never followed the same path of some of my friends who liked to sleep around.

Now I want to explore a bit more and would really like to have a threesome with another guy.

The thought of having two cocks to play with at the same time makes my mound so moist!

But I don't want my hubby to feel like he is inadequate. How do I go about asking him?

FW, Wilts

Sam says…

EXPLAIN that you love him, but you feel like you need to try things you didn't when you were younger.

Lesbo lust shock turned into threesome ecstasy

Dear Sam,

MY girl and I have been together for a year and one evening last week changed my life.

I got home from work early to find my girlfriend's pal's car parked outside.

I climbed the stairs and heard gasps and moans coming from our bedroom, so I peered through a crack in the door.

I was gobsmacked to see the other woman's face buried between my girl's thighs.

They must have heard my sharp intake of breath and they turned towards me.

My girl had a look of shame on her face, but her pal calmly beckoned me in.

I undressed and lay beside them. Then they knelt either side of me and reached down to grasp my hard dick.

They kissed each other before her friend grasped my shaft and thrust me into my girl.

As I pounded away, her pal fingered her clit and fondled her breasts – and we came together.

Ten minutes later I was ready to go again and I gave it to her friend doggy-style while she licked out my girl.

Her pal left in the early hours, but now my girl has asked if another horny friend can join us.

What should I do?

FT, Essex

Sam says…

IT'S every man's dream – lap this up while it lasts.

Watching mates pound missus got my sex life back on track

Dear Sam,

I'VE been married for 14 years but six months ago I went completely off shagging.

The missus is highly-sexed and it hit her very hard when I just couldn't get hard myself.

We tried all sorts to get me aroused – blue movies and porno books – but nothing did the trick.

Then I hit on the idea of her shagging one of my pals from down the boozer.

I asked her if she fancied it and, after much thought, she finally agreed as long as he was a handsome hunk.

Licking

I arranged for my mate to come round and I stayed downstairs watching TV while they went to the bedroom.

I could hear them having dirty fun – my mate has an eight-incher – and it was great to listen to the wife enjoying orgasm after orgasm again.

I was in the pub a few nights later when the guy who'd screwed the wife mentioned our arrangement and two of my other mates expressed an interest.

My wife was all for it, so the following Friday night, after we'd had a skinful, the four of us went back to my house.

I took them upstairs and they stripped off and piled into the bed with her.

This time I decided to stick around and watch. There seemed to be erect cocks EVERYWHERE!

The missus sucked all three of them off in turn and they all took turns going down on her, licking and sucking her hot minge and rimming her rusty bullethole.

Then they each f**ked her in every hole and she had one shuddering climax after another.

At one point she was sucking on one dick while another pal was in her chuff and the third was prodding away round the back at her dirt-box.

It was at this point that I felt a stirring in my pants. I was overjoyed, so I stripped off and joined them.

My missus was delighted to see I was back in the game and she passionately urged me on to give her the best shag we've had for ages.

First, I lifted her legs high into the air and pounded into her as my pals cheered me on and worked away on her erect nipples at the same time.

Then I turned her onto her knees and rammed my rock-hard cock into her doggy-style as she screamed in delight.

Finally, I gave her bum a good pounding until I shot my load.

Since then I've managed to get loads of stiffies – but only after watching my mates giving the missus a shafting.

It's like I need my mates to give my cock a kick-start and after that I'm raring to go solo!

Incidentally, the wife thinks our arrangement is terrific. Are we being a bit odd?

GF, Leicester

Sam says...

AS long as everyone is happy, I don't see a problem.

Divorcee loves being banged in the woods

Dear Sam,

I'M a 44-year-old fella who is still very athletic and fit in the bedroom and, luckily, I consider myself to be pretty well-endowed.

I'm going out with a lovely woman, a 42-year-old divorcee with huge tits and a curvy arse.

She's excellent in the sack, great at blowjobs and willing to bang outdoors.

We often meet at weekends and take long walks in the woods, which always end up with me giving her one up against a tree.

Her daughter is 21 and she clearly takes after her mum. She's a gorgeous blonde with an equally big pair of boobs and she is constantly flirting with me when I'm round at their house.

Shaved

I get the feeling she's seen me and her mum on the job at some point and last week she sent me a cheeky white G-string, which she had obviously already worn, along with a note begging me to use my eight-inch cock in her shaved pussy.

She reckons she'd give me a tit-wank, blowjob and even accommodate me up her bum if I respond.

She is a very good-looking girl and I'd love to get my shaft up her.

But I'm having a great time with her mum. What do you think I should do?

DV, Kent

Sam says...

STEER well clear – you'd be asking for trouble if you got entangled with this scheming young woman.

Dear Sam,

I WAS best man at my mate's wedding and last week I bumped into his missus in the pub on her own and we ended up going back to my place.

We chatted about various things, but I could tell she was up for some sexy fun so I started to turn the chat towards more suggestive subjects.

It worked like a dream and it wasn't long before she had my cock in her mouth.

She sucked at it like a dog who hadn't seen a bone in decades and I returned the favour by lapping lovingly at her neatly-trimmed fanny. She loved that!

By that stage she was gagging for a good shafting, so I bent her over and knobbed her doggy-style on the couch.

That wasn't enough for this feisty minx, however. She sat me down and rode me reverse cowgirl-style while screaming out in ecstasy.

Then she demanded I spill my seed all over her tits and in her mouth. She, of course, rubbed the sticky mess into her skin.

She now wants to finish with my mate and see me, but I'm happy with my girlfriend.

What should I do?

CP, Cornwall

Sam says...

SOME mate you are. Leave this girl to your pal.

DO YOU HAVE A SEX PROBLEM?

#MY SEX FANTASY

'I'm totally cock hungry now and not ashamed to say I need it!'

...WITH NIKITA BELLUCCI, 29 34C-24-34 FROM PARIS

MY best fantasy is stranger sex... so I'm really looking forward to some no strings fun now that lockdown is easing up!

I think everyone is going to be gagging for it on the likes of Tinder!

I had a serious boyfriend for most of my teens and early 20s, so when I became single at 29 I decided to enjoy myself!

But I'd only met a few guys when the coronavirus happened and I haven't had a chance to sow my wild oats!

Need

I'm cock-hungry now and I'm not ashamed to say it!

Casual sex gets a bad rep, but sometimes it's just what you need.

I will want a relationship at some point so I'm allowing myself to go a bit wild before then. It's so thrilling and uninhibited with strangers you know you won't see again!

I love online dating. It's like a shopping catalogue of lovers! I love the flirting, the sexting, the getting dressed up for a date and all the tension... will we, won't we!

Honestly when I next get it on that fella is in for a really long night!

ALWAYS HOME OF TOPLESS BABES

SULTRY Christina Jolie reckons she's got the perfect body for "erotic modelling".

One look at these snaps of the top-heavy 34D beauty and it's hard to disagree with her!

Christina, 29, originally from Czech Republic but now living in Egham, Surrey, purred: "When I was younger I was a fashion model, and did some lingerie shoots.

"But then all of a sudden, my boobs grew really, really big.

"I knew I then had to try erotic modelling, my body is perfect for it!"

The former hairdresser, now a top porn star, said she has also got an insatiable love for NOOKIE.

She added: "I like men and I like a lot of sex. I have a high libido.

"I like to try new things in the bedroom, and porn lets you act out your wildest fantasies."

PRIVATE SHOPS UK

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to *request@sundaysport.co.uk* telling us why you want to see your favourite girl, then sit back and let us do the rest.

VERONIKA ZEMANOVA

STUNNING Veronika Zemanova is never far from Louis Seymour's thoughts...thanks to her humongous boobs.

Bricklayer Louis, 46, from Southend-on-Sea in Essex, says he thinks about a naughty night with 33-year-old Veronika, from Chelsea, almost every minute.

He said: "I'd do anything to cop a feel of her whopping 30G boobs – they're way more than a handful.

"She's an utter babe, so please can the *Midweek Sport* post a sexy topless picture of Veronika – it'd make my year!"

VARENA TWIGG

BAR manager Jake Stevenson wouldn't mind serving up a little something personal for glamour girl Verena Twigg.

Jake, 38, from Cambridge, reckons he'd make the perfect mix for 34D babe Verena, 33, from Blackburn.

He said: "I've worked behind the bar for years and I've been hoping I might catch a glimpse of Verena, but she's not showed up yet!

"I'm happy to ogle her boobs in the *Sport* for now, but if she ever does turn up I'll have an extra special cocktail waiting for her!"

VICTORIA BLAZE

CHIEF Executive Carl Clark wants to splash his hard-earned cash on busty brunette Victoria Blaze.

The 51-year-old bigwig hails from the Big Smoke, but there's only one girl he wants to spend his life of luxury with.

His dream girl is 29-year-old topless stunna Victoria, from Hull, and with her 34C ample assets it's not hard to see why.

Carl said: "Victoria is simply stunning. I've got tons of cash and I still go out and buy the *Sport* three times a week to see if her knockers are in – there's no other girl's boobs I wanna stare at."

HAPPY MAN: Nuno Espirito Santo

NUNO: MY MOLINEUX MEN ARE ON THE UP

By MIKE FRANCIS

NUNO Espirito Santo is delighted that his Wolves side just keeps getting better and better.

The Molineux Men headed back into the top six thanks to a comfortable success against stuttering Crystal Palace thanks to goals from Daniel Podence and Jonny.

With one game left, they have clocked up their biggest Premier League total and still have the Europa League to play for.

Nuno is delighted to have passed that landmark and believes there is a lot more to come from his entertaining side.

He said: "Progress season-on-season is the idea. We are improving, building and looking for the next challenge. We embrace that.

"It pleases me a lot. The credit is all for the players. It has been a long season, one calendar year. I think surpassing last season's points is a fair reward for us.

"The idea of improvement and the building process makes sense.

"We have achieved two more points than last season with one game to go.

"A lot of credit goes to the players in such a complicated season with all these issues and the pandemic. The belief of the players is incredible."

Nuno admits the past couple of months have been tough during the pandemic.

He has not seen his family for weeks as his wife and three kids live in Portugal.

He said: "It's very hard to prepare a football team the way we are preparing now.

"Not only to work, but it's difficult to live in these circumstances. In this situation, some of us are not allowed our freedom.

"It has been restrained in a way that nobody can understand. If I want to go back and visit my family, I cannot do it.

"So, it's not affecting only football, but it's affecting your life. Your freedom has really been compromised.

"But it's not only me – it's everybody. Our mission now is to do whatever we can to make the football enjoyable.

"This is our mission as professionals in football. Everybody has to do their best until things can go back to normal."

GUARDIOLA FULL OF CONFIDENCE

BRING ON REAL MADRID SAYS PEP

By JOHN ANTHONY

PEP Guardiola can't wait to take on Real Madrid in the Champions League.

Manchester City have a precious 2-1 lead going into the August 7 clash that will define their season.

The winners will go forward to the mini-tournament in Lisbon that will decide the Champions League in this extraordinary season.

The quarter-finals, semi and final will all be one-off games behind closed doors in the Portuguese capital.

And Pep has his focus there rather than on the poor display that saw Arsenal pull off a surprise win in the FA Cup semi-final at Wembley last weekend. Guardiola said: "We are going to make some changes, some players who played the semi-final are going to play but we are going to play the next two games.

"I will try to let all of them play. We will see."

There is a short gap between the end of the Premier League on July 26 and the restart of European competition.

And Pep believes that will be important time to prepare his team.

He said: "We will have two days after the game against Watford but after the Norwich game we will have two weeks of training sessions."

As for the cup calamity, Pep has a clear message. He said: "We didn't do it properly. We had enough chances to score goals and we didn't do it.

"I just congratulate them, learn from this and prepare for Madrid. We move forward, it's forgotten.

Chance

"Now we are incredibly excited and incredibly optimistic about the game against Madrid, for the players we have.

"We know if we play at a decent level, higher than we played against Arsenal, we'll have our chance. If not, we'll be out."

City's ban from European football for two seasons has been overturned but Guardiola says he would have stayed at the club anyway.

That means he's going into his fifth season at the Etihad which means he will have been in Manchester longer than his other jobs at Barcelona and Bayern Munich.

Pep admits that it's a challenge to stay fresh for such a long time for a modern manager to stay with one team.

He said: "It's a challenge for me.

"I've never been five years in one club, to see if we will be able to maintain the levels

CITY GENT: Guardiola is relying on stars like Kevin De Bruyne to shine in Europe

that we have in the previous seasons.

"In one world where everyone sacks everyone, for managers to keep doing the same job for a long time is so difficult. To be in a fifth season makes me so proud."

Eccentric

Guardiola will have a new challenge next season as Leeds United are back in the Premier League. And Pep is a big fan of their eccentric but extremely effective head coach Marcelo Bielsa.

He is looking forward to crossing swords with the Argentinian next term.

Guardiola said: "I know the reference and influence for a thousand million players that did work with him. I was lucky to have the opportunity to talk with him, but for world football his ethics, his behaviour, the way his team plays, he is an authentic manager, his product is always incredible.

"Nobody can imitate him and that makes him special.

"It is my personal opinion for English football it will be incredible for him to be in the Premier League and learn how his teams play.

What we remember are the experiences and the memories, the players you have had, the managers you have had. Marcelo is at the top of the list.

"Absolutely at the top of the list."

Pep keen on Alexis Sanchez

ALEXIS Sanchez is a surprise transfer target for Manchester City.

The Chilean forward almost moved to the Etihad from Arsenal in 2018 before neighbours United put more money on the table.

Despite that snub, Guardiola is keen to add the 31-year-old to his squad.

Sanchez was kicked out of Old Trafford by Ole Gunnar Solskjaer and has been on loan at Inter Milan.

He has had mixed reviews with the Italians where injuries have limited his first-time appearances this season.

The emergence and form of summer Barcelona target Lautaro Martinez has also knocked him down the pecking order.

That means Sanchez is available for a relatively small fee and would go for less than £20m, which could prove to be a bargain if he rekindles the spark he had for the Gunners.

Guardiola wants experienced forward options in his squad with Leroy Sane having left for Germany and David Silva hanging up his boots.

He is a long-time admirer of Sanchez who was part of his squad at Barcelona almost a decade ago.

LOADED: Dean Smith

Villa 'can cope with drop' says boss Smith

DEAN Smith insists Aston Villa will bounce back if they are relegated from the Premier League.

The Brummies' boss says the club can cope thanks to the financial muscle of owners Nassef Sawiris and Wes Edens.

Smith said: "The short-term future of the club is not in jeopardy at all.

"If we get relegated it is one of those things we have to deal with, but we are in great hands with the owners that we have got.

"But we all want to keep our Premier League status. We know we have to work hard to make sure that happens.

"Each club will have its own reasons for staying up. We are very fortunate as a football club that we have got two billionaire owners that we are reliant on and have been fantastic for the football club.

"If we were to get relegated we are still in a good position because of the ownership of the football club.

"We also know what is at stake and how ambitious they are and why we want to stay in the Premier League.

"We are thankful that we have got two billionaire owners who have got ambitions of improving this club as we go.

"We don't want to be in the position we are now and we don't want to get relegated but if we do we have to deal with that."

Potter has a Bright future

BRIGHTON boss Graham Potter is proud to have steered the south coast club to Premier League safety.

The Seagulls are safe from the drop after their draw against Newcastle.

And the former Swansea gaffer admits it's been tough changing Albion's style to a passing game.

He said: "It's really important — that's an understatemen!

"The financial implications are massive, especially with how the year has been and how next year looks potentially.

"It's so important for a club like us. We're fighting every year to keep in the Premier League.

"I'm just delighted for the players, the chairman, all the support I've had. It's really, really pleasing."

Arsenal close in on Coutinho transfer

By JOHN ANTHONY

ARSENAL are leading the chase for Philippe Coutinho.

Barcelona are desperate to offload the midfielder they paid a staggering £142m for in January 2018.

Liverpool don't want him back even though the Catalans are demanding a much more realistic £70m for the Brazilian who was on loan at Bayern Munich last season.

Arsenal, Chelsea and Tottenham have all been linked but the Gunners are thought to be closest to getting a transfer done.

And it may involve throwing in Matteo Guendouzi to sweeten the deal. The French midfielder is in trouble with boss Mikel Arteta who isn't happy with the 21-year-old's attitude.

Despite being a real prospect and turning in some decent displays, he is now fighting for his future in north London.

The Gunners would value him at around the £40m mark so there could be a swap for Coutinho with a relatively small fee by current standards of around £20m on top.

With Mesut Ozil also out in the cold, a player like Coutinho would be a major asset for Arteta as he rebuilds.

His signing may also convince high-profile stars like Pierre-Emerick Aubameyang to sign a new deal rather than walking away.
